**Statement of Quality Policy**

The purpose of the Quality Policy is to declare our organisations commitment to an effective Quality Management System.

This policy has been defined by the top management of Bonds Precision Castings Ltd and is communicated and understood throughout our organisation.

It is the policy of Bonds Precision Castings Ltd to provide our customers with goods and services of the best possible quality. We shall also ensure our Quality Management System continues to meet the requirements of BS EN ISO 9001:2008. All our employees are made aware of our organisations Quality Policy and objectives. These are detailed in our Quality Manual.

From its inception our Quality Management System is meant to be comprehensive and effective. However, we shall review and amend our Quality System and objectives in order to effect continual improvement throughout our business

This policy shall be periodically reviewed to ensure its continued pertinence and adequacy. In the event of any changes being made, these shall be communicated as soon as practical.
